

13 August 1954

MEMORANDUM FOR: Paul Borel, ONE

ORR

SUBJECT:

Research

1. [] has just begun research on a CIA project entitled []

2. As an insurance against uneconomical duplication of effort, I have requested the [] project director, [] to ascertain what other related research is currently under way or recently completed.

3. The External Research Staff/State, (ERS) will provide [] with information about relevant external research and the EIC will give him data on [] economic research within the Government.

4. To complete the picture, we have asked ERS to prepare a list of Government research other than economic (e. g., political, geographical) [] In this connection, an ERS staff member, Mr. Fred Sligh, will call you next week for an appointment to talk with you about research being conducted within your office. Your cooperation will be appreciated.

CLAUDE E. HAWLEY
Office of the Director
Planning and Coordination Staff
